

QCPBars::setData

```
graph LR; A[QCPBars::setData] --> B[QCPBars::addData]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'QCPBars::setData'. The right box is gray with a black border and contains the text 'QCPBars::addData'. A blue arrow points from the right side of the first box to the left side of the second box.

QCPBars::addData
