

QCustomPlot::axisRect

```
graph LR; A[QCustomPlot::axisRect] --> B[QCustomPlot::axisRects]; B --> C[QCPLayoutElement::elements];
```

The diagram illustrates a sequence of three components in a horizontal flow. The first component, 'QCustomPlot::axisRect', is highlighted with a gray background. A blue arrow points from it to the second component, 'QCustomPlot::axisRects', which has a white background. Another blue arrow points from the second component to the third component, 'QCPLayoutElement::elements', also with a white background. All three components are enclosed in rectangular boxes with dark gray borders.
